All Australians should be able to live with dignity in their community of choice.

Australia's fourteenth annual Anti-Poverty Week, runs from 15 October through to 21 October 2017. To align with the United Nations' International Day to Eradicate Poverty, 17 October, we will be hosting a public forum to address the issues of financial hardship, inequality, homelessness and isolation.

You are invited to participate in this innovative forum to discuss and share strategies for eliminating poverty and inequality in Queensland.
