

Q: What's a favourite game at the North Pole?
A: Truth or Deer

Thank you for your help in 2023

Thank you to more than **500 volunteers** who joined Micah Projects to pack and deliver hampers for a record number of individuals and families who are impacted by cost-of-living pressures over the Christmas and holiday period.

More than **1200 hampers** with **17,000 pantry items, plus fresh fruit**, were gifted to locals who have experienced homelessness and adversity this year.

More people than ever before have requested food support this year, and it's thanks to the donated food and over \$35,000 donated to our annual Christmas Hamper Appeal that Micah Projects has been able to support our participants with hampers of pantry staples and Christmas treats.

– Karyn Walsh, CEO Micah Projects

17,000 items have been collected, packed and delivered through the **Micah Projects' Annual Christmas Hamper Appeal.**

461 households received Christmas Hampers with **394** households also receiving fresh fruit hampers

636 adults received hampers for Christmas

563 children who have experienced homelessness and hardship will receive toys and food for Christmas day

146 apartments in **Brisbane Common Ground** received a hamper of pantry staples and Christmas treats (all apartments).

100 hampers for families living in motels

110 giftpacks for people sleeping rough.

After a year of relentless work addressing the housing crisis, it's great to report that by Christmas Day...

560+ people have been housed

as part of year-long efforts to reduce homelessness for families, children and individuals in Brisbane and Queensland.

27 local families who have experienced homelessness have been housed by Micah Projects in December (by 20 Dec)

For each family, Micah Projects has helped connect them with available housing, move from temporary accommodation into a furnished and set-up home and get kids school-ready with enrolments, uniforms and supplies.
