

national

the

Gap

Close

day

Thu 21 March 2019 11am – 2pm

@ Bunyapa Park (Corner of Thomas and Vulture Streets, West End)

Everyone deserves the right to a healthy future and the opportunities this affords.

Despite a decade of promises, there is still a **significant gap** in health and life expectancy between First Peoples and other Australians.

For more event info, contact info@micahprojects.org.au

Join us on National Close the Gap Day in pledging our commitment to achieving Indigenous health equality in Australia.
