

**National Day to Remember**  
those who have died as a result  
of Domestic and Family Violence.

# Candle Lighting Vigil

**5.30pm Wednesday 1 May**

Kangaroo Point Cliffs, Open-air amphitheatre  
3A River Terrace, Kangaroo Point

In Australia at least one  
woman is killed every week  
by an intimate partner.

Often, children are also the victims of these homicides. The first Wednesday in May is our night to remember those who have died as a result of domestic and family violence. Candle lit vigils now happen across the country beginning in Queensland in 2005 with the 15 member organisations of the Queensland Domestic Violence Services Network (QDVSN)

hosting candle lighting ceremonies  
throughout Queensland.
